

WORDS TO KNOW

- Victorian: Victorian era, in British history, the period between approximately 1820 and 1914, corresponding roughly but not exactly to the period of Queen Victoria's reign
- Kit Home: A type of prefabricated home. All the parts are built, pre-cut, packaged and sent to you to build. Sometimes they're called mail-order or catalog homes.
- Businessman: a man who works in business, especially in a high position at a company.
- Parlor: A public room in a house used for entertaining guests. This room can be used to show off one's wealth to their visitors.
- Restoration: the remodeling of an ancient or historic building, painting, or other artifact to return to its original form or condition
- Carpenter: a person who builds or repairs houses and other things made of wood
- Dry goods: Foods that are solid and do not contain liquid such as tea, grain, and sugar
- Exterior kitchen: A kitchen that's removed from the interior of the home to help the spread of heat generated by the stove
- Chamber Pot: a portable toilet kept in bedrooms intended to be used for middle of the night emergencies before indoor plumbing was designed
